Lisa's environmental practice focuses on advancing clients' business objectives in a variety of industries. Lisa has extensive experience in all areas of environmental law, including permitting, enforcement, litigation, acquisitions, compliance, auditing, and rulemaking matters. Lisa has represented clients in obtaining permit authorization through Texas' contested case hearing process.

Early in her career, Lisa served as a senior enforcement attorney in the Litigation Division of the Texas Commission on Environmental Quality. There, she was recognized for her outstanding leadership as lead counsel for some of the agency's most complex and high-profile air and multimedia enforcement cases, and for drafting statewide consolidated environmental enforcement legislation, now codified in Chapter 7 of the Texas Water Code.

### Experience

Lisa has served clients on a wide range of environmental issues, including:

### PERMITTING

- Representing clients before the Texas Commission on Environmental Quality and the Environmental Protection Agency in applications for air, water, and waste permit applications for major projects
- Leading and supporting clients in contested case hearings before the State Office of Administrative Hearings (SOAH)
- Providing legal representation to obtain air and water permits for construction of world scale petrochemical complex

### Practice Areas

Environmental  
Environmental, Water and Real Estate  
Litigation  
Water Law

### Education

University of Texas School of Law,  
J.D., 1993  
University of Texas at Austin, B.A.,  
1990

### Admissions

#### BAR

Texas, 1993
